

Goutham Reddy Nimmala

Hyderabad, Telangana — +91-9949208696 — gouthamreddynimmala@gmail.com — LinkedIn — GitHub

Career Objective

Analytical Artificial Intelligence and Machine Learning undergraduate with strong expertise in Python, SQL, and data analysis. Hands-on experience building and deploying end-to-end machine learning applications, including a clinical risk-prediction system. Eager to apply problem-solving and data-driven thinking as an Associate Software Engineer, contributing to innovative and scalable software solutions.

Education

B.Tech in Artificial Intelligence & Machine Learning	2022 – 2025
Malla Reddy University, Hyderabad	
Intermediate Education (10+2)	2020 – 2021
Page Junior College, Kompally	
Secondary School Education (SSC)	2018 – 2019
Paramita Heritage School, Karimnagar	

Technical Skills

Programming: Python, SQL, R

Data & Analytics: Excel (Pivot Tables, VLOOKUP, Formulas), Tableau, RStudio

AI & ML: Machine Learning Algorithms, Model Training & Testing, Data Visualization

Tools: Microsoft Word, Google Analytics

Professional Skills: Problem Solving, Analytical Thinking, Time Management, Communication

Projects

Liver Disease Prediction

Technology Stack: Python, Random Forest, Flask, Scikit-learn

- Preprocessed real-world medical datasets using exploratory data analysis (EDA) and **Scikit-learn** pipelines; engineered high-impact predictive features.
- Developed a **Random Forest** model achieving a **12% higher F1-score** over baseline through hyperparameter tuning and feature selection.
- Deployed a **Flask**-based web application enabling clinical liver disease risk prediction and supporting early diagnosis.

Academic Machine Learning & Data Analysis Projects

Technology Stack: Python, Excel, Tableau

- Designed and implemented **machine learning models** using Python for academic problem statements.
- Cleaned, processed, and analyzed datasets to extract meaningful insights.
- Created **visualizations and dashboards** using Excel and Tableau; prepared structured reports and presentations aligned with academic standards.
- Collaborated with team members to ensure timely, high-quality project delivery.

Certifications

- Python Certification
- SQL (MySQL) Certification
- Tableau Certification
- Google Analytics Certification

Strengths

- Analytical Thinking
- Attention to Detail
- Quick Learner
- Team Collaboration
- Effective Communication
